

Help them play out their dreams.

Sponsor Claim Your Future and...

- Help your state's youth explore careers and higher education options while they engage in a fun, financial literacy lesson.
- If your state has a high school financial literacy requirement—Claim Your Future and the accompanying educator guide make great lesson plans.
- Enhance your state's workforce development and show your constituents that you support higher education for your citizens.
- Receive special discounts (20-40% off \$299) for state agencies based upon quantities. Each kit contains 50 career wheels which can serve hundreds of students for a few years. That's less than \$1 per student!
- With orders of 100 kits or more—your state agency brand, featured jobs, salary levels, college options, cost of living expenses, budget worksheets, and more can be customized for your state.
- High-touch classroom game play puts your brand in front of students for over 30 minutes each time they play.

Claim Your Future is a program that helps share financial principles using real-life examples in an easy to understand and relatable way. Playing the game offers students insights into potential careers, options for higher education, and much more! Designed for, and by educators to be easy, this simple, out-of-the-box lesson makes financial education fun.

Claim Your Future has been played by thousands of youth all around the country as part of a one-time classroom activity or sometimes as part of a larger curriculum on careers, higher education, and money management.

Join the many state agencies, colleges and universities, Gear Up organizations, credit unions, and others around the nation in helping youth have a brighter future.
